Principal’s Message

Great to have so many parents at our Volunteer Helper Training sessions this week; thank you. Once you have your Working with Children Check registered at the office and you receive an invitation from your child’s teacher, you are ready to ‘rock ‘n’ roll’, or in this case, be a part of your child’s school life in so many ways.

It was also great to welcome a couple of new parents to our Coffee and Chat group; you don’t need to be a ‘member’, it is not a secret society. Just come along, have a coffee and ask any question you like. I will answer your question, unless of course, there is a confidentiality issue. Today I was asked about the assemblies and the newsletter, to name just two examples. Watch the newsletter for future dates.

Same concern every year, same answer. Safety first, safety, safety, safety. If you imagine that every child in a PPPS uniform is your child, you may find it easier to follow the road rules and signs around our school.

It can be so frustrating, you just want to drop your kids off at school and go on your way, or pick them up at the end of the day to take them to one of their billion after school activities, but you can’t get a park close enough to the school. Why? Because every other parent wants to do the same.

Solutions?
1. Walk if possible.
2. Park further away and walk a short distance or
3. Abide by the law and use the drop off and pick up areas.

It doesn’t hurt children to walk or to wait.

Two vital road signs you must obey.

This is the sign outside our school. It clearly marks a 3 minute parking area and a No Stopping area.

“No stopping signs.
A driver must not stop on a length of road or in an area to which a no stopping sign applies. Penalty: 3 penalty units.”

If there is a ‘no stopping’ sign, you are not allowed to stop or park your car in, or partly in, that area for any reason.

In the 3-minute zone, you cannot park for longer than the time shown on a parking sign during the times listed.

When moving your car to another parking spot, you must move it out of the area or length of road controlled by the parking sign.”

One line marking road rule you must obey.

“No stopping on a road with a yellow edge line.
A driver must not stop at the side of a road marked with a continuous yellow edge line. Penalty: 3 penalty units.” (Taken from The Victorian road rules in Road Safety Road Rules 2009 on the Vic Roads website.)

There is a continuous yellow edge line along our 3 minute parking zone at the front of the school.

Keep safe,

Claire McInerney, Principal

PLENTY PARKLANDS PRIMARY SCHOOL COUNCIL ELECTIONS 2017 are here.
We have three parent positions and one staff position to advertise. Ever thought about joining School Council? Now is your opportunity.

Our school council has an important role to play in our community and we welcome interested parents to join us on council each year.

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
For most school councils, there are three possible categories of membership:
- A mandated elected Parent category - more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child’s school as long as they are not engaged in work at the school.
- A mandated elected DET employee category - members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional Community member category - members are coopted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.
Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.
In view of this, you might seriously consider
- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school's future.

What do you need to do to stand for election?
The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.
If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.
DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.
Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election.
Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

This year we have FIVE Parent member vacancies due to the end of term for Roger Baker, Daniela Krstevski, Bianca O’Connor and Bobi Nikolovski and the resignation of Sally-Anne Conboy. I would like to thank Roger, Daniela, Bianca, Bobi and Sally-Anne for their time and commitment to the council and our school. All parents are eligible to stand for election again.

Thank you also to Meg Seidel (6-1) for her interest and expertise over her two year term on council as a DET member.

As a school we are incredibly lucky to have members of the community who so willingly give their time to ensure we have a dedicated and enthusiastic school council. While we take our responsibilities seriously, we also enjoy a laugh or two.

This means that for 2017 Belinda Petkovski and Esref Avda will continue for the second year of their term while we thank Roger Baker, Daniela Krstevski, Bianca O’Connor, Bobi Nikolovski and Sally-Anne Conboy.

We have FIVE parent vacancies for March 2017 through to March 2019. Are you interested? Contact the office.

If you are interested in nominating yourself or someone else for one of the five parent vacancies on school council please come to the office and collect a Nomination form. Nomination forms must be lodged by 4.00pm on Thursday 23rd February, 2017. If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school. Following the closing of nominations a list of the nominations received will be posted at the school and on our website. If you would like any additional information please contact the Principal, Claire McInerney.
Once again it is time to call on the generosity of our community for donations for our 2016 Family Fun Night. We’ve had a fantastic response in the past and we are trusting that you will support the Family Fun Night with some great donations again this year. We are hoping to once again organise a range of hampers to raffle containing items such as:

- new toys, games, art and craft materials, books, hobby activities etc.
- party items
- pampering services and goods
- chocoholic items (anything chocolate) and other treats within the ‘use by date’.
- vouchers for donated goods and services

Plus, we are seeking donations for our stalls such as:

- coloured hair spray

Plus, we have a pre loved toy and book stall again this year so we are seeking:

- good quality and in good condition pre loved toys and books

We would be happy to help off load any items of good quality.

All donations will be acknowledged with a special principal’s award.

Please bring all donations directly to the office.

Family Fun Night Sponsorship

We are seeking sponsorship for the Family Fun Night 2017 RIDES. If you would like to sponsor our school or know of a company that may be interested in sponsoring us, please contact Antonella in the school office with details.

Any amount small or large will be greatly appreciated.

Thanking you in anticipation – The Coffee and Chat Group

ALL PROCEEDS FROM THIS YEAR’S FAMILY FUN NIGHT WILL GO TOWARDS CONSTRUCTING A NEW SAND PIT AND SHADE COVER ON THE SPORTS GROUND, BEHIND THE GYM.
Library Donation

Thank you to Thomas (6-7), for his donation of games to our library lunchtime activities.

Music Notes 2017.

We are beginning a ‘bucket’ drumming group at school this year. I have a few large, white industrial type buckets being collected already, but would love to find some more. If you have access to any that the school could use, please bring them to the Music Room (or leave them at the Office).

Thank you.

BUILDING RESILIENCE IN CHILDREN

PARENT FORUM
Monday 6th March 2017 7:00 – 9:00 p.m.

Today’s parents can be overly concerned for their children. We hear terms like ‘helicopter parents’ in the press, referring to those overly anxious parents who probably are the ones who still carry their children’s school bags. Then there are the ‘too good’ parents who don’t want their children to miss out or experience disappointment and just do too much for their children.

This interactive workshop will encourage parents to build their children’s resilience and help their children develop skills in social competence, problem solving, independence and optimism.

The research informs us that a resilient child is one that is social competent, can problem solve, and has the ability to see a difficulty as a problem that can be worked on, overcome, changed, endured, or resolved in some way; has good self-esteem and autonomy which allows the child to cope successfully with challenges; and is hopeful and optimistic about what tomorrow has in store for them.

Chris’ workshop on Building Resilience in Children is a two hour interactive workshop for parents/carers will leave you reflecting on your parenting practices. It will encourage you not ‘to do’ for your child what they can do for themselves.

As a trained social worker and teacher, Chris has extensive experience in working directly with children and adolescents and supporting staff. Chris has facilitated many successful professional development sessions for teachers and parents within the private and public sectors on a range of topics from staff and student welfare to organisational health issues. Chris is also actively involved in the tertiary sector, teaching students in Master of Social Work, Master of Teaching and the Master of Education (Student Wellbeing) courses. To see what people have said about Chris’ workshops; visit www.chrisdaicos.com.au

We are looking for caring parents to volunteer to launder the First Aid Room linen. This is done on a fortnightly basis, so the more volunteers we get, the fewer turns you will have throughout the school year. If you are able to assist, please fill in the slip below and send it back with your child. Thankyou

*Yes I will launder the linen*

We are seeking your support to volunteer for our Lost Property Roster.

This would entail coming to the school to sort through the "lost" uniforms that are stored in a cupboard in our administration block. Any named uniforms would be placed in the relevant child’s home group, unnamed uniforms remain in the cupboard in the hope that their owner will one day come to claim it.

If ten parents volunteer, this means you would be required to come to the school once a term. Please consider offering your services as we have an abundance of lost uniforms weekly. Just contact the office staff to add your name to the roster or fill in the slip below and send it back with your child.

Many thanks,

Welcome back to the new school year! We hope you have all enjoyed the holiday break. We had a busy week at OSHC last week with our 'what we did on the holidays' theme. It was great to hear the children’s holiday stories with the beach being a popular destination.

The children have been enjoying keeping active outside when the weather permits. They have been participating in a variety of activities and games including soccer, basketball and skipping.

We are looking forward to welcoming the Preps this week and our theme will focus on all about me! The children will be working on our OSHC child profile map, where they can include their favourite food, hobbies and activities that they enjoy doing. This will help us to get to know the children's likes, dislikes and hobbies which will assist us in tailoring a program to suit them and their interests.

*For bookings and cancellations go to www.campaustralia.com.au.*
