2015 Digital Technologies Acceptable Use Agreement

Plenty Parklands Primary School recognises the need for students to be safe and responsible users of digital technologies. We believe that explicitly teaching students about safe and responsible online behaviours is essential, and is best taught in partnership with parents/guardians. We request that parents/guardians work with us and encourage this behaviour at home.

At Plenty Parklands Primary School we:

- Support the rights of all members of the school community to engage in and promote a safe, inclusive and supportive learning environment.
- Have a Student Engagement Policy that clearly states our school’s values and the expected standards of student behaviour, including actions and consequences for inappropriate behaviour.
- Educate our students to be safe and responsible users of digital technologies.
- Raise our students’ awareness of issues such as online privacy and intellectual property including copyright.

To assist us to enhance learning through the safe use of digital technology we are now asking you to read this document and sign the attached Acceptable Use Agreement form.

When I use digital technologies I agree to be a safe, responsible and ethical user at all times, by:

- Respecting others and communicating with them in a supportive manner; never writing or participating in online bullying (for example, forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviours)
- Protecting my privacy; not giving out personal details, including my full name, telephone number, address, passwords and images
- Protecting the privacy of others; never posting or forwarding their personal details or images without their consent
- Talking to a teacher if I personally feel uncomfortable or unsafe online, or if I see others participating in unsafe, inappropriate or hurtful online behaviours
- Carefully considering the content that I upload or post online; this is often viewed as a personal reflection of who I am
- Investigating the terms and conditions (e.g. age restrictions, parental consent requirements). If my understanding is unclear I will seek further explanation from a trusted adult
- Confirming that I meet the stated terms and conditions; completing the required registration processes with factual responses about my personal details
- Handling ICT devices with care and notifying a teacher if it is damaged or requires attention
- Abiding by copyright and intellectual property regulations. If necessary, I will request permission to use images, text, audio and video and cite references
- Not interfering with network systems and security, the data of another user or attempting to log into the network with a user name or password of another student
- Not bringing to school or downloading unauthorised programs, including games.
