The PURPOSE of Plenty Parklands Primary School is - to educate children as lifelong learners to shape a better Australia.

Principal’s Message

We are into week 3 and we have a number of exciting things happening already.

Family Fun Night

The kids are excited about Family Fun Night so mark Thursday March 12 on your calendar as ‘Not to be missed’. If you would like to be involved in any way; volunteering to help on the night, volunteering to help with the organisation, offering to sponsor an activity as a family or if you have your own business, donating goods for our fabulous raffle or in any other way, please contact Antonella in the office on 9404 4311 or Julie Nixon, Assistant Principal on the same number or at the gate in the mornings. Of course you can always contact me either way.

Speaking of raffle donations, we are asking again this year for any new items we could use to create our raffle prizes; we use them as individual prizes or as part of the many hampers our volunteers create.

We would love anything you would like to win yourself; toys, games, pamper products, baby gear, voucher for a meal or drinks, books, perfume, jewellery, the list goes on. Remember that these are all used for our raffle which is drawn on the night. I wonder if we can break our record of twenty five hampers and prizes. Please send or bring your donations to the office; my side office is waiting to be filled. Thank you for your anticipated generous support.

School council elections are also an important part of starting a new year. I have included detailed information in the newsletter however I would also like to take this opportunity to thank our current and retiring members.

This year we have FOUR Parent member vacancies; two due to the end of term for Bobbi Nikolovski and Dani Krstevski, who I would like to thank for their time and commitment to the council and our school. Both parents are eligible to stand for election again.

We also have an additional vacancy following the resignation of our current school council President, Michael Harrison. Michael has served the PPPS community as a Parent member for five years with two years as Vice President and the last two as President. Now, with work and family commitments, Michael is stepping down; a difficult decision for Michael to make. On your behalf again, I would like to thank Michael for the time and commitment he has shown to our community.

Our fourth Parent member vacancy will bring our membership back to our constituting order of seven Parent members.

As a community I would also like to thank Meg Seidel (6-8) for her two years’ work on council as a DET member.

As a school we are incredibly lucky to have members of the community who so willingly give their time to ensure we have a dedicated and enthusiastic school council.

This means that for 2015 Lisa Champlin, Kathy Filev and Tennille Smith will continue for the second year of their term while we thank and farewell Dani Krstevski, Bobbi Nikolovski and Michael Harrison. With the 7th Parent position also vacant we have FOUR parent vacancies for March 2015 through to March 2017.

Principal’s message continued over page
Preps will join assembly on Monday February 23; we are looking forward to that. We know that the essence of a great school is the people; kids, staff and families. We also know that when you have a great school it takes effort and planning to keep it continually improving; improving the curriculum, the opportunities we offer, the professional knowledge and practice of the staff, the links with the community, the state of the facilities; everything.

In many ways our school, which is a great school, is much like a family which also takes effort and planning to make it work for everyone involved. Just as a family has to make reasonable and practical plans, so does PPS and with that comes hard decisions and budgeting.

Like many of you who have built a new home, we faced the same decisions when PPPS was built in 1998 and added to over the years as our numbers grew; what do we spend money on now and what do we plan for in the future. They are never easy decisions for any family or school, but they always need to be made.

For the past eight years we have been saving to complete the front entrance to the school. The original welcome garden and bollards were always a temporary measure until we had the money to complete it properly. As a community we have worked together to use our fundraising and facilities money to focus on the kids first, providing play equipment, air conditioning, etc., while also saving a small amount to use for larger jobs such as repairing the roofing, and the revamping of our entry to the school. After sixteen years we are at the stage where we need to tackle that job and as you will be aware school council have been discussing and investigating this at length for a couple of years. We have worked with four different architects to get ideas which would provide shelter and seating for parents and students at the front of the school, solve our drainage problem out the front, provide an additional entry gate for pedestrians to ease the congestion, define our entry more for new parents and visitors, provide a more attractive entry which is more in line with the standard of facilities we offer throughout the rest of the school and very importantly, be the best value for money we could get. We believe that we have done all these things with work is set to start in the next couple of weeks. The first thing you will notice is the installation of safety fencing, the use of a different front gate and the removal of the bollards and garden at the front of the school. The horse trough that travelled from our Bundoora site will be retained, however it will be relocated. This is an exciting phase for us as a community and we ask for your tolerance and patience while the work is carried out. We hope to have the shelters installed first and then have the major ground works completed during the first term holidays. If you can help in any way with the earth moving part of the job, that would be fantastic and would help keep costs firmly within our budget. We would really appreciate you contacting Julie Nixon if you can help.

**JUNIOR SCHOOL COUNCIL**

Students from, years 4 to 6 are currently working on their JSC speeches which they will then present to their home group, prior to voting.

**Purpose of Junior School Council**

Junior School Council is one of the school’s leadership programs.

**JSC provides the opportunity to help achieve our vision**

- for a school where all its students, staff and community enjoy coming and where they feel safe and cared for
- to help develop in our students, the means for them to create a more equitable society where individual excellence is celebrated
- where the learning environment is underpinned by the interdependent partnership of parents, students and staff
- where all school community members act in a way that reflects Plenty Parklands Primary School values

**JSC also provides the opportunity**

- To increase student participation in the school.
- To involve students in decision making.
- To teach students the processes and protocols to effectively achieve change.
- To make students aware of and involved in School Council.
- To develop a caring and responsible attitude to our school community
- To be aware of wider community decision making.
- To enhance staff, the School Council and parent awareness of the students’ needs and priorities.

**Protocols**

- JSC to be trained in meeting procedures. JSC to share office bearers’ roles.
- JSC to develop action plans and put into practice the correct processes and protocols for ‘making things happen’.
- A JSC representative to attend School Council meetings at intervals throughout the year.
- JSC to be on the agenda at School Council meetings and either a verbal or written report given.
- JSC trained in how to be good representatives.
- JSC trained in making decisions.
- JSC to organise feasible fundraising activities x 4 per year. Three national, one overseas.

**Important Dates:**

Votes will be in by: **Thursday 12th February**
Names announced at assembly: **Monday 16th February**
JSC Presentation at assembly, preceded by afternoon tea with parents: **Monday 23rd February**
PLENTY PARKLANDS PRIMARY SCHOOL COUNCIL ELECTIONS 2015 for three parent positions and one staff position are here; my, how time flies when you are having fun.

Our school council has an important role to play in our community and we welcome interested parents to join us on council each year.

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
For most school councils, there are three possible categories of membership:

- A mandated elected Parent category - more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- A mandated elected DET employee category - members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional Community member category - members are coopted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.
Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.
In view of this, you might seriously consider
- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

What do you need to do to stand for election?
The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.
If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.
DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.
Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

PLENTY PARKLANDS PRIMARY SCHOOL COUNCIL ELECTIONS 2015 (continued)

Remember
- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

With the 7th Parent position also vacant we have FOUR parent vacancies for March 2015 through to March 2017.

If you are interested in nominating yourself or someone else for one of the four parent vacancies on school council please come to the office and collect a Nomination form. Nomination forms must be lodged by 4.00pm on Thursday 19th February, 2015. If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school. Following the closing of nominations a list of the nominations received will be posted at the school and on our website. If you would like any additional information please contact the Principal, Claire McInerney.
Once again it is time to call on the generosity of our community for donations for our 2015 Family Fun Night. We’ve had a fantastic response in the past and we are trusting that you will support the Family Fun Night with some great donations again this year. We are hoping to once again organise a range of hampers to raffle containing items such as:

- new toys, games, art and craft materials, books, hobby activities etc.
- party items
- pampering services and goods
- chocoholic items (anything chocolate) and other treats within the ‘use by date’.
- vouchers for donated goods and services

Plus, we are seeking donations for our stalls such as:

- coloured hair spray

Plus, we have a pre loved toy and book stall again this year so we are seeking:

- good quality and in good condition pre loved toys and books
- We would be happy to help off load any items of good quality.

All donations will be acknowledged with a special principal’s award.
Please bring all donations directly to the office.

Family Fun Night Sponsorship
We are seeking sponsorship for the Family Fun Night 2015 RIDES. If you would like to sponsor our school or know of a company that may be interested in sponsoring us, please contact the office with details.
Any amount small or large will be greatly appreciated.
Thanking you in anticipation – The Coffee and Chat Group

INTRODUCING THE PREP TEAM

Hello, my name is Belinda Woodhouse and I am very fortunate to be the teacher of Prep 14. As this is my fifth year at PPPS, I love returning to school to see all of the beautiful smiling faces of my previous students, seeing how they have grown over the holidays and hearing of their holiday adventures. Most of all I love seeing the new little shining faces of our new prep students. A sparkle in their eyes and big smile, ready for the new and exciting year ahead. Our days will be full of learning and laughter. In my spare time I enjoy reading and swimming, especially with my two children, Emma and Henry. It is my pleasure to be part of such a special time in your child’s lives.

Hi! My name is Phillip Van Dorp and I am very excited to be working in the prep team this year. I am sure the students in Prep 12 are going to have a great year! This is my third year at Plenty Parklands. In my spare time I enjoy cooking, spending time with family and friends, travelling overseas and following the mighty Hawks! I am looking forward to working with all the fantastic children in Prep 12.

Hi everyone, my name is Emily Windisch and I am lucky to be teaching the wonderful and enthusiastic students of Prep 10. This is my third year teaching at PPPS and I am excited for another year in this supportive learning community. I am looking forward to all the fun things we do in Prep, especially seeing their beautiful smiling faces every morning. I love spending time with my family. I have a large family so find myself celebrating birthdays and events quite regularly in my spare time. I also enjoy reading, playing sports and spending time at the beach.

I am looking forward to an exciting year with Prep 10!

Hi Everyone, I am Angelique Loverso and I am the very lucky teacher of Prep 11 this year. This is my seventh year at PPPS and each year continues to get better and better!
I live in Reservoir with my husband Vince and our cheeky dog Henry. We like taking Henry to the dog park for a play. Vince and I enjoy going swimming at the beach whenever we get a chance and also heading into the city to see exciting things.
I look forward to spending this year sharing lots of great stories and experiences with you and your family. Please pop into Prep 11 and say hello.

Hello, my name is Mariel Sibio and I am delighted to be teaching Prep 13 this year. This is my first year at PPPS and I am very excited to be a part of such a wonderful school. I am looking forward to all the exciting adventures we will have and all the learning we will do together. In my spare time I enjoy dancing ballet, contemporary and Latin styles. I also love to travel and make scrapbooks about my experiences. I am thrilled to be a part of this important time in your child’s life.

Hello everybody! My name is Ashleigh Seeley and I am extremely excited about teaching the fantastic Prep students in room 9 this year. I’m looking forward to another great year full of fun and engaging learning experiences.
This year, in November, my partner Nathan and I are getting married. We are having lots of fun planning our special day and can’t wait for it to come around.
I have a large immediate family and enjoy spending lots of time with them! We love travelling and eating out at lots of different yummy restaurants.
If you are in the neighbourhood please drop by and say “Hi” I would be delighted!
At PPPS we are currently looking at ways to reduce our ecological footprint as part of our work to become a 5 Star Sustainable School. The ecological footprint is the impact of a person or community on the environment, expressed as the amount of land required to sustain their use of natural resources. We were alarmed to discover the total ecological footprint for PPPS was 286.14 hectares! That equates to 2,861,400 square metres! As you can see we have a very big footprint! This term in the newsletter you will be able to read a new tip each week to live more sustainably and help reduce your own ecological footprint at home. Stay tuned for more information on our sustainability blog that is coming soon! The Sustainability Team.

Contact should be made with the Regional Manager, Operations and Emergency Management Unit. While DET is not a front line agency, every effort will be made to communicate with facilities in a clear and timely manner. During emergency incidents Regional Office will attempt to contact the relevant principals. However, the principal is not always available so schools' EMPS must provide alternative contact details.</td>
