### ***Prep Taster Sessions***

We invite children who will be commencing Prep in 2023 to join us for an exciting Pre-Prep experience. Children will participate in several different specialist activities that will give them a taste of what is to come in 2023. They will meet some of our fantastic teachers and get to experience the Perceptual Motor Program, Literacy activities, Music and visit our school Library. Parents are invited to stay and watch the session.

Sessions will run for 60 minutes and parents will need to sign their children in and out at the office. Register your attendance via the link below and then select the session. Each family to select one place in one session only. Participant numbers in each session are capped.

### ***School Readiness Sessions for enrolled students***

Children enrolled for 2023 can register for a school readiness session. Children will participate in different classroom and specialist activities to support them in becoming familiar with the school spaces and teachers. Children who attend will receive a special transition Tshirt to wear to our term 4 transition sessions.

### ***Term 4 School Transition sessions and Information Session for Families***

Join us for an information session to learn more about our Prep program and ask questions. Enrolled children will receive a special transition Tshirt to wear at our term 4 transition sessions.

Students will attend a number of transition sessions at school where they will be spending time in our Prep classrooms and get meet this year's Prep teachers. They will get to mix with other students who are enrolled to attend in 2023 and become familiar with the Prep building. Dates and times for these sessions will follow.

We would also encourage interested families who are yet to chose a primary school for 2023 to attend our small group tour and chat with the Principal – times and dates are available on the website.
