Principal’s Message

With only 27 or so sleeps until our Family Fun Night on Thursday March 17, we are asking for donations for our hamper raffles. Anything you would like to win would make a great donation. As you can see we have a new ‘push bike’, a game or two, some chocolates, some sports bags, racing cars (toy ones), some back packs and a Babushka doll bean bag.

Please help us put together a fabulous array of hampers, as we do every year, by donating any new items; big or small, useful or decorative, functional or ‘just for fun’. You may even be able to supply or source some vouchers from businesses you know that we could add to the hampers. Every item is gratefully received and goes straight towards our fund raising goal.

New or old books and toys are also needed for our stall on Family Fun Night. There must be good quality used books and toys at home that really deserve a new home. Please bring or send them to the office.

Congratulations and thank you to our new School Council members who join us for 2016 and 2017

Sally-Anne Conboy
Belinda Petrovski
Esref Avda

These parents join our current members, Dani Krstevski, Bianca O’Connor, Roger Baker and Bobi Nikolovski.

Supported by Kristina Elvey, our Business Manager who is our Minute Secretary, I am proud to be the Principal on our new Council.

Speaking of Councils and being a proud principal, it was a lovely assembly when we presented our new Junior School Councillors with their badges and certificates. Just prior to the assembly, the 2016 and some 2015 JSC members offered the guests (parents and friends) some afternoon tea before they joined the presentation. On behalf of the community I would like to thank and congratulate the following 2016 Plenty Parklands Junior School Council members.

4-29 Marcus
4-30 Patrick
4-31 Mathangi 4-32 Iman
5-3 Maya 5-4 Ryan
5-5 Ashlynn 5-6 Zak
6-1 Alexander and Belinda 6-2 Rebekah and Christian
6-7 Jackson and Stephanie 6-8 Sasha and Samuel

I am looking forward to getting to know the JSC members and working with them during the year.

It seems to be all about being proud of achievements this week and the arrival of a new member of our community last week is certainly one to be celebrated. In fact we met Harper early this week when mum visited. Both are looking beautiful. Dad and brothers, Cooper and Bailey, are all ‘pleased as punch’. Apparently mum, Tennille, thinks she might be a bit busy for a while. Well at least until Harper leaves us in year 6 in 2027.

Staff completed our CRP training this week with some staying on to update their Level 2 First Aid Accreditation as well.

Thanks to the parents who joined us at our Year 6 to 7 Transition evening on Tuesday. It was intended to give you as parents some insight into the process you need to follow when nominating your preferences for secondary schools. It also gave us all a chance to learn more about our local government secondary school, Mill Park Secondary College which has made some very strong changes to the campus and particularly the year 7 program and organisation Thanks to Karen Eastlake the Middle Years Campus Principal of and her Assistant Principal, Simon McCrae for adding a secondary perspective which was very informative.

P.S. Thanks to everyone who moved chairs back to their correct location so we could have a smooth start the next morning.

For those who missed Chris Daicos speak to us about the importance of resilience here are some more thoughts from parents who attended.

“What a wonderful opportunity for the parents of Plenty Parklands Primary School to be offered an amazing evening with Chris Daicos. The seminar on raising resilient children was both informative and relatable, set against a back drop of lighthearted humour. The most important message I walked away with is that my child’s job is to love learning and to have friends, and that there are many things we can do as parents to foster their adaptability and resilience. Thanks Plenty Parklands for hosting such a worthwhile school community event.”

Rosie

“Chris’s talk on developing resilience in children was fantastic. It was enjoyable, relaxed and very funny, with everyday examples parents can relate to. Chris’s understanding of the day to day things parents and kids are going through was amazing. She gave such an important message of how to help children develop self esteem, problem solving, independence and build relationships. It was perfect timing for me with my little one starting prep, and I have taken lots of ideas away to support him through this year and beyond. I highly recommend this to all parents, Thanks Chris and PPPS for offering this session!”

Janet Henry

Thanks for the feedback; it is amazing how many things you notice about the way we speak and work with kids now we are more conscious of the impact our behaviour and response has on them.

Enjoy your week of learning.

Claire McInerney, Principal

Family Life Program

Many parents find it difficult to discuss or answer questions relating to sexuality. Every year almost 40,000 young people and their families participate in Family Life Programs. These programs are designed to help ‘break the ice’ when talking about the important and sometimes sensitive subject of sexuality.

Thank you to the parents who attended the information session on Wednesday 11th February. This session offered parents an opportunity to find out more about the range of services offered by Family Life, talk about some of the issues or concerns they may have about sexuality education and preview some of the resources used in the Family Life Program.

The year 4 and 6 students will begin the Family Life lessons this week. The program runs for 3 weeks.

Mobile Dental Services

Dear Parent/Guardian,

Re: School Dental Clinic - Medicare Child Dental Benefits Schedule

The Child Dental Benefits Schedule (CDBS) commenced on 1 January and provides access to benefits for basic dental services for children aged between two and seventeen years of age. The total benefit entitlement is capped at $1,000 per child over a two calendar year period.

Mobile Dental Services will be visiting your child’s school and scheduling a bulk billed dental clinic for eligible children under the CDBS. To be eligible for dental treatment you need to be receiving a payment from the Australian Government.

Mobile Dental Services will check eligibility and advise parents who are unsure if they are able to have their child’s treatment bulk billed through Medicare. Students who do not qualify for treatment under this dental scheme, can be seen as private patients and will be billed at the equivalent Medicare dental rates. (Check with your private health fund, as you may be eligible to claim back part or all of this cost).

Our dental team will provide access to the following dental services during school hours:

- Comprehensive Oral Examinations with Treatment care plans
- Scaling/cleaning & fluoride treatments
- Fillings
- Fissure sealants
- Extractions

Your child will receive quality dental treatment from our dental team, all of whom are police and working with children certified.

In order for your child to be seen by one of our Dentists you must complete and return the consent & medical history forms to the school signed by a parent or guardian. Mobile Dental Services cannot see your child if the consent forms have not been completed correctly.

Checklist
1. Carefully read the attached consent forms
2. Complete all the relevant sections on the forms
3. Return to the school within 7 days

Note: Your child will be issued with a treatment plan after their initial visit to our mobile dental clinic.

For additional information about mobile dental services please contact us on (03)8401 3855.

Yours Sincerely,
Dr Swati Sharma
Dentist/Practice Manager
